ABOUT THE TREK

A challenging trail through misty peaks and lush Western Ghats forests.

Kumara Parvatha, also known as Pushpagiri, is one of Karnataka's most rewarding trekking trails, set within the Pushpagiri Wildlife Sanctuary. The trail takes you through dense forests, steep rocky sections, open grasslands and sweeping mountain views. The climb is demanding, but the mist-covered ridges and unforgettable summit landscapes make every step worthwhile.

This two-day adventure blends a challenging trek with a night at the homestay and scenic stops at Mallalli Waterfalls and Manjarabad Fort on the return journey.

Take the trail, embrace the climb, and bring home a story worth telling.
