ABOUT THE TREK

Chasing quiet peaks and peaceful moments along the Netravati.

The Netravati Trek is a journey through one of the most pristine landscapes of the Western Ghats, where dense rainforests, flowing streams, and mist-covered peaks come together in perfect harmony. Nestled within the Kudremukha range, this trail offers a raw and immersive trekking experience away from the noise of everyday life.

Day 1 unfolds through lush forests and rolling grasslands as you climb towards the Netravati Valley, surrounded by fog-draped hills and endless green vistas. Day 2 invites you to slow down—refresh yourself at the crystal-clear Sooramane Waterfalls, seek blessings at the sacred Horanadu Annapoorneshwari Temple, and return feeling grounded and renewed.

Walk the trail, feel the calm, and carry the memories home. 🌿⛰️
